

Advent Calendar
MAGICAL CHRISTMAS
Size 21" x 21"

Requirements

Advent Calendar F510-4 - 1 panel
Wadding and backing 22" x 22"

Making up

1/4" seam allowances are included.

- Cut out main panel a 1/4" from the outer edge of black line.
- Use this as a template to cut out your wadding and backing.
- With right sides together. Pin in to place and sew around, leaving an opening for turning.
- Clip the corners and turn to right side and sew up the opening.
- Top stitch around the edge.
- Cut out all the pockets.
- Along the top edge of each pocket turn under a 1/4" and sew down. Next press a 1/4" under on the sides and bottom.
- Do this to all the pockets.
- Matching the numbers with the pocket and the panel pin into place.
- Sew each pocket down with a gold thread.
- Add a hanging sleeve on the back.
